As usual the December meeting will be at the Uniting Church Hall in Sussex Street, commencing at 7.30pm.

As members of the Gympie Club will be attending to judge our end of year competitions I ask that members arrive at the hall a little earlier than usual so that our preparation can be completed before 7.30pm.

- Maximum Points A-Grade
- Maximum Points B-Grade
- Best Projected Image
- Best A-Grade Print
- Best B-Grade Print

- A-Grade Portfolio

As the December competition meeting will be the last meeting for the year there will **not** be a Workshop evening in December.

There will **not** be an outing in December.

There will **not** be a Print Group meeting in December.

The end of year B-B-Q was held at Lyn & Barry's home on December the 6th.

... Program for 2010 ...

The set subject for the first meeting in 2010 will be "Pictorial" and the meeting will be at the Uniting Church Hall on Monday the 8th of February.

"Pictorial" is defined as a photographic representation which aims primarily at aesthetic, emotional and intellectual effects. Pictorialists are less concerned with the subject than with the picture it will yield; they use their cameras not so much to record whatever is there but to stress how they see. A pictorial photograph is frequently described as a chocolate-box photo, i.e. the type of photo you might see on a chocolate box.

The Committee has decided to reinstate the monthly business meetings. The first of these for 2010

will be at the Suter home on Monday the 1st of February.

The first workshop evening will be held on the 22nd of February at the Uniting Church Hall in Sussex Street commencing at 7.30pm.

The outing for February will be to Queens Park and central Maryborough on February the 14th commencing at 8.00am – meet at the Band Hall car-park at Queens Park.

... Club News...

The Cerebral Palsy League has an exhibition of photographs on display at the Maryborough Art Gallery that is currently housed in the old picture theatre opposite Luxton's Pharmacy in Kent Street, not far from their former premises.

They are open between 10.00am to 4.00pm Monday to Thursday and 10.00am to 1.00pm on Fridays. They are also open on Saturday and Sunday from 10.00am to 2.00pm.

Note that the exhibition closes on the 16th so you will need to be quick.

Membership fees for our Club have remained at \$30.00 per annum for the last year. At the Annual General Meeting in November it was decided and agreed that the membership fees for the Maryborough Camera Club Inc. would remain at \$30.00 per annum with the fee for Junior Members to be \$15.00 per annum.

Remember that fees are due in February.

In the last month Club members have judged end of year competitions at Woodgate and Gympie. Members also attended the Noosa/Tewantin Shield where the Maryborough Club unfortunately came last so was able to set the extra subject for the 2010 competition and that is "Celebration of Life".

Remember to check out the great range of photography books at Janet's Art in Kent Street opposite Luxton's Pharmacy. While you are there you can shout yourself to a cup of tea or coffee and perhaps something to eat.

Janet keeps a great range of photography books. Not the how-to type of book but real books of portfolios of photographs by famous photographers from all over the world. If you are looking for a special Christmas present for a photographer then you may find the solution at Janet's Art.

Jazz it up at Janet's Art on 2nd Saturday of the month.

A program for 2010 will be forwarded to members before the February competition meeting.

Until next year - great photography.
